

Your NYSVMS toolkit in Action

2025 Annual Impact Report

In Your Corner

Legal clarity, legislative strength

In Good Company

Where New York vets connect

Real-World CE

Next-Level CE for everyday practice

Your Practice, Your Path

Support at every career crossroad

For Animals Together

More care, More impact, Together

In the Know

Your source for what matters in NY

Resilient Vet

Thrive in practice, Live well beyond it

Veterinary medicine is evolving

You deserve a professional community that evolves with you

NYSVMS exists to help you thrive – not just in your practice, but in your career and your wellbeing. This year, your membership fueled real change: stronger advocacy, expanded CE, vital wellness programs, and a more connected professional network across New York.

We organized this impact into 7 key themes – so you can see how your membership delivers value where it matters most. Whether you leaned on us this year or not, everything in this toolcase is yours. And we're ready to do even more in the year ahead.

VETERINARY MEDICAL SOCIETY

Impact report

Based on programs delivered in
the last 12 months

In Your Corner

Continued to successfully advocate against non-economic damage awards.

Hundreds of member questions answered about compliance and other legal issues.

Introduced Scout AI Chatbot to provide high quality answers 24/7.

Resilient Vet

Launched the 90-day mentoring program for early-career vets.

Launched a suite of new wellness support programs. Text support has already attracted many participants for help with mental, legal or other personal challenges.

Real-World CE

100+ CE hours - from radiology to emergency protocols.

NY State Veterinary Conference attracting nearly 1,000 participants.

In the Know

50 editions of eNews and 6 issues of *Connections* magazine.

Launched *Practice Pulse* to provide updates on the State of the profession in NY.

In Good Company

Launched MiniMeets to bring veterinarians together in small local meetings

Provided leadership training throughout the year for our 2025 cohort of Power of 10 participants.

Your Practice, Your Path

Launched a new program to encourage and support veterinarians considering practice ownership.

Became a founder member of the new Veterinary Career Community offering enhanced job board and career support services.

Facilitated panels of NY veterinarians talking about new technology and how they increase efficiency.

Ran a panel and provided information to help hospitals increase profitability substantially by charging for credit card use.

For Animals, Together

Secured a substantial legacy donation that upon the passing of the donor will provide secure long-term funding for veterinary care funds.

Awarded 21 grants totaling \$30,000 to provide access to care.

Provided resources and support to veterinarians who provide services to shelters.
