NEW YORK STATE
VETERINARY MEDICAL SOCIETY

Be part of the only organization that supports the veterinary profession in New York—your way. Stay protected, informed, and connected. Get the tools to thrive, not just survive.

In Your Corner

We help you answer your questions about laws and regs in NY.

We advocate on behalf of NY vets in Albany to ensure that new laws support veterinary medicine.

In Good Company

Meet colleagues at regional events and at one of our new Mini-Meets.

Recent graduates can join our free annual Power of 10 leadership program and build career-long connections.

Resilient Vet

Members have free access to counseling for mental health, family, legal and other issues.

Our financial mentoring program is unique and has relieved financial stress for about 100 participants.

Your Practice, Your Path

We provide support for practices, including cost savings and help with compliance.

We also help aspiring and recent practice owners with education and resources.

Real-World CE

Membership includes being part of a regional group with in-person CE events.

We create webinar panels of NY vets and recognized experts to discuss key issues affecting the industry.

For Animals, Together

The regional Veterinary Care Funds provide grants to help members extend veterinary care to owners who face financial barriers.

Our Animal Welfare committee supports veterinarians who provide care to animals at a local shelter.
